TEN BOYS AND GIRLS IN GRADUATING CLASS

Commencement brings to a close the high school career of ten boys and girls in the big Barium family. Five boys and two girls live in the Home and three girls are children of staff members.

AUDREY WATERS hails from Kings Mountain, having come to Barium Springs when she was in the elementary school. She was a letter girl in the band and crowned Queen at the Junior-Senior Prom. Audrey plans to attend Mitchell College in the fall looking toward work in a business office.

VICKIE BRAFFORD came from Siler City, when she was still in the elementary grades. She has been particularly interested in music and has sung in the church choir. After graduation she will return to her sister, and together they will plan for her to attend East Carolina Teachers College at Greenville, North Carolina in September.

KAY NANCE, daughter of Mr. and Mrs. Frank Nance, lives on the campus. Kay is interested in becoming a medical secretary and plans to enter college in the fall to pursue that course.

BETTE JEANE MURDOCH is the daughter of Mr. and Mrs. Roger Murdoch and lives on the campus. Having moved to Barium only two years ago, Bette Jeane decided to finish her high school course in Statesville. She plans to enter Mary Baldwin College in the fall.

BEVERLY McCLURE is the daughter of Reverend and Mrs. A. B. McClure and lives on the campus. Finishing her eleventh year at Barium Springs, she plans to enter the School of Nursing at the University of North Carolina in the fall.

JAMES BLAKE hails from Wilmington and is the oldest of the four Blake children at Barium Springs. Football and baseball have held his interest in sports. He plans to attend East Carolina Teachers College in Greenville, North Carolina in the fall.

GRAHAM BLAKE is from Wilmington and has played football all the way through high school. He plans to enter college in the fall, probably Lees-McRae at Banner Elk.

DOUGLAS BYRD and his three sisters came from Seven Springs. He has played football all through high school. Upon graduation he plans to volunteer for service in order to get his military duty behind him before he chooses a vocation.

JAMES KISER and two sisters came from Kannapolis. He has been interested in football and basketball during high school. In the fall he hopes to attend college at Banner Elk, North Carolina.

DICKIE McKENZIE came to Barium Springs from Raleigh, North Carolina with an older brother who is now finishing his sophomore year at Davidson College. Dickie has played football, basketball, and baseball in high school. Dickie was elected president of the Student Council in his senior year. He plans to attend Pfeiffer College at Misenheimer, North Carolina in the fall.

All ten of these boys and girls have been active in the Senior High Fellowship in Little Joe's Church and in the services of the church singing in the choir, ushering, and the like. They have all taken their turn in the work program and know the campus from every angle. It is always with regret that the Home graduates a group of seniors, and yet it is always with pride and joy to see them moving on to take their place in further training for life.

UNDER THE STEEPLE

By Rev. Hugh B. Carter, Jr.

We get a lot of help here under the steeple. For example, the girls at North Cottage fold 300 bulletins for us every Saturday, and deliver them at the Church. When we use folders on Wednesday nights, the girls at Rumple Hall do the work for us. Walter Snead and Larry Ruff are in charge of motion picture equipment, setting up the machine, the speaker, and the screen and putting the equipment away after each use. Dickie McKenzie has faithfully operated the panel lights during each worship service, and will be replaced upon his graduation by Gene Taylor. Jeane Murdoch has kept our two bulletin boards attractive, with eye catching designs, changing the boards each week for the past year. Men and women volunteers have kept the Nursery whenever we have had services of worship, and others have put flowers in the sanctuary. In addition to these helpers, there is the choir and the corps of Sunday School teachers, and the ushers whom we count upon regularly to be in their places at the right time so that things go along smoothly under the steeple. It takes a lot of team-work, and we are grateful for the spirit in which all of our helpers work together.

Newly elected officers of the Senior High Fellowship are Lacy Lentz, President; Elva Medlin and Henry Bridgers, Vice-presidents; Henry Harris, Secretary; and Frosty Murdoch, Treasurer. The newly appointed officers named the following Commission Chairmen: Margaret Ramsey, Faith; Ellen Neill, Outreach; Jayne Webb, Fellowship; Patsy Ross, Citizenship; Howard Cox, Witness. These along with Nancy Joyner, our pianist, will constitute the new council, to be installed next month. The Senior High Fellowship now boasts four adult advisers: Mr. and Mrs. Clinton Clontz, Miss Lava Howard, and Mr. Roger Murdoch. We will be sadly missing our Seniors and will be saying so at a farewell breakfast given for them May 29. They are James Blake, Graham Blake, Victoria Brafford, Douglas Byrd, Celia Donaldson, James Kiser, Beverly McClure, Jeane Murdoch, Kay Nance, Dickie McKenzie, and Audrey Waters.

Two more of our boys, Frankie Davis and Larry Edwards have recited the Catechism For Younger Children from memory and have been presented with New Testaments and cash awards furnished by the Board of Christian Education and the Synod of North Carolina. This brings the number to 15 boys and 8 girls who have memorized the Catechism since December 1st. We hear that there will be even more by the end of June.

Somewhere I have read that the questions men ask about each other are quantitative: How old? how tall? how much money does he make? how many votes did he get? But no one asks such questions about God. No one asks, How big is He? or how tall? or how old? God is none of these things; He simply IS. Jesus said, "God is Spirit, God is Light, God is Love." How urgently we need to remember that it is "in Him that we live and move and have our being."

A GOOD INVESTMENT

Fifteen dollars will make it possible for a boy or girl from the Home to attend one of the church camps during the summer. Individuals and church groups have been making it possible each summer for a large number from Barium Springs to be enrolled. If you or your group would like to share in this summer's camp operation, send the contribution marked "FOR CAMPS."

Elementary School Gives Fine Programs Of Music

The Elementary School, under the direction of Mrs. Clinton Clontz, presented two fine programs of music for the school and the community. The boys and girls again this year have responded to the fine work of Mrs. Clontz, and the program of music in the school and in the church has been very excellent. The programs as given are printed herewith.

Audrey Waters Elected Junior-Senior Queen

The gala occasion of the Troutman High School Junior-Senior Banquet and Prom was attended by nearly two hundred students, teachers, and friends. After a delightful hour at the banquet with all the accustomed festivities, the tables were removed and the prom began. Anxious students awaited the announcement of the king and queen and the beginning of the ceremony in their honor. The Master of Ceremonies stepped to the stage and in the hush of the room announced the names of Audrey Waters, Queen, and Larry Hobbs, King. These two were escorted to the Royal Chairs and there their Royal Highnesses were seated and crowned and bedecked with flowers. In their honor the students had prepared a special dance for the evening and performed it before the Royal couple to initiate the Junior-Senior Prom. Audrey Waters, a senior, is finishing her high school work after coming to Barium Springs a number of years ago with two younger brothers and one younger sister. She will be seeking employment during the summer preparatory to entering Mitchell College in the Fall. There she plans to take a two-year business course to prepare herself as a secretary.

Scout Troop Gets Charter

Sunday, May 22, saw the new Scout Troop at Barium Springs attend Little Joe's Presbyterian Church in full uniform. It was Charter Day for the troop. The thirty boys under the leadership of Scoutmaster Frank Barrier of Statesville and assistant Scoutmaster Clinton Clontz of Troutman were presented the Charter by Reverend Hugh B. Carter, Pastor of the church. Flags were received from the Scoutmaster for the Troop, also.

The troop has been in progress for several months. The plan of having the boys engaged in various troops in Statesville was changed to having a troop on campus. This is a very satisfactory procedure in as much as the boys and girls of the Home are now attending a community school, and particularly good in that the troop has some of the best scout leadership in Iredell County.

The scouts have been busy in preparing for advancement. All requirements have to be met for the Tenderfoot Rank before a uniform can be obtained. The boys are now working on Second Class and First Class rank. The rain on a recent Saturday afternoon ran fifteen of them in from a five mile hike and a cook-out. A group recently passed the swimming requirements for First Class at the Davidson College Swimming Pool after they had spent the night out on an overnight hike.

The Scout Committee, the Scoutmasters and the Scout Troop have high hopes for the success of this Scouting venture and look forward to the enrollment of other boys from the community in the Barium Troop.

Caseworker Attends Southern Regional

Miss Rebekah Carpenter, caseworker for the Home, attended the Southern Regional Conference of the Child Welfare League of America held in Asheville during the month of May. Having been chosen in advance of the Conference as one of the recorders, Miss Carpenter arrived early for a pre-conference instruction session. The institutes and open sessions were of unusual quality having been led by the outstanding leaders in child care field in America. While the Home is unable to hold membership for financial reasons in the Child Welfare League of America, it does share in the Southern Regional Conference when held in the vicinity of Barium Springs.

Board Of Regents Hold Spring Meeting

The Regents met in the regular Spring session in the Fellowship Hall of Little Joe's Presbyterian Church, on Thursday, May 12. M. C. Benton, Jr., President, from Winston-Salem, North Carolina, presided with Charles T. Hagan, Jr., Secretary, taking the minutes. Sickness in the homes of three members detained them and three others were out of State.

The Board heard the report of the Building and Grounds Committee as to the remodeling of the Infirmary and the progress on the new staff quarters. Upon a full report from the Architect and the Building and Grounds Committee, it was decided to replace the present Howard Cottage with a new one story cottage to bear the same name. The conclusion of the Committee and the Architect having been that structurally the building was unsafe and it would be inadvisable to spend any additional money to try to restore it and to put it in livable conditions for family style.

The Building and Grounds Committee, also, presented Colonel E. B. Stafford, Engineer from Statesville, who reported on the proposed water line for the campus. Contract having already been let by the City of Statesville to bring city water to the campus, it was necessary to have a plan for the distribution of the water to the whole of the campus. The plan was approved and the Board authorized the Committee to proceed with the negotiation of the contract and the laying of the lines. The special concern of the Finance Committee in its report was the proposed budget for the new year. The Synod requires that this be adopted in the Spring and forwarded to the Stewardship's Committee for its consideration and presentation to the Synod of North Carolina in its annual session. The Board authorized the Superintendent and Regent Ennis Jackson to represent the Home at the meeting of the Stewardship Committee, and further instructed the Superintendent to represent the Home at the meeting of the Synod of North Carolina.

The Farm Committee reported that it would be necessary to build a machinery shed inasmuch as the snow and ice had caused the tractor shed to fall in during the winter. This was authorized by the Board. Further, the Committee stated that the farm in general seemed to be in good condition, that continued study and planning would be necessary to devise the best means of carrying on the farm program. The opinion was expressed by the Committee that at the Fall meeting of the Board a better opportunity would be afforded to evaluate the summer's program in progress.

Helper In Recreation Chosen For Summer Program

The campus will be humming again this summer with recreational activities under the direction of Mr. Steele who has been busy all Winter, and also the new helper, Miss Eleanor Shull, who is physical education teacher and girls' basketball coach from East Rowan School. Miss Shull has had several summers' experience in work in other Homes and in other recreational activities. A well-rounded program for boys and girls will be planned and a lot of fun will be provided. In addition to the recreational program in particular, she will be on the campus during the vacation period to assist in whatever service is necessary while the staff is limited. The group will eagerly await her arrival and anticipate a lot of fun in skating, tennis, swimming, badminton, folk games, hikes, picnics, etc.

BOYS AND GIRLS INVITED TO SCHWEITZER MOVIE

The busses and cars rolled out and the boys and girls loaded up and headed for Statesville to see the wonderful movie of the Life of Albert Schweitzer. Mr. Fuller Sams of the Statesville Theater Corporation and Miss Helen Johnson, Manager of the State Theater, had extended an invitation to the Home to be their guests. Adults and children alike were thrilled and inspired by the magnificance of the life of a great man.
